OUR FLEET

Our smaller ships get you closer to shore, meaning you have more time to discover the myriad of destinations we cover. Designed to venture far and wide, they remain small enough to keep the ambience on board intimate and personal.

Resisting the temptation to build ever-larger vessels, we maintain the sophisticated, club-like environment our cosmopolitan guests appreciate. We make personal pampering our first port of call and our cruises are all-inclusive and luxuriously exclusive.

2018 will see the culmination of our largest fleet-wide refurbishment plan, which proves our commitment to the continued evolution and progression of elegance at sea. This refurbishment plan exemplifies our unswerving dedication to our guests. Please visit our website: silversea.com/fleet-refurbishment-plan for further details.

Ancient wonders from Angkor Wat and the Taj Mahal to Petra and the temples of Luxor and Karnak. While the ingenuity of modern-day man is also on display: Sydney's iconic Opera House, the Petronas Towers of Kuala Lumpur, the soaring skylines of Singapore and Hong Kong — architectural marvels that shape the horizons of the magnificent cities we sail to. La Grande Bellezza was designed to encompass priceless treasures like these. Although the ultimate prize may be more metaphysical: the pampered indulgence of your attentive butler, the small ship intimacy where friendships form effortlessly, the luxurious suites, the exquisite cuisine — the joy of a Silversea journey, itself.

SOUTH AMERICA

Embodying the intangible richness of South America, the wooden churches of Chiloé fuse spirituality with gloriously beautiful ecclesiastical architecture. A multicultural destination of mixed heritage and history, South America is the stunning land of extremes.

RIO CARNAVAL

- Nothing defines Rio more than its legendary Carnaval. Samba groups parading wildly through the city streets, partygoers in costumes ranging from elaborate to barely-there. With vendors handing out beers and caipirinhas to the crowd, and beautiful people sambaing their way into the night, the Rio Carnaval is nothing short of spectacular (voyage 6803).

MACHU PICCHU

- Set high in the Peruvian Andes, amid craggy peaks and billowing clouds, is the glorious Lost City of the Incas, Machu Picchu. Named as one of the Seven Wonders of the New World, Machu Picchu is tangible evidence of the urban Inca Empire at the peak of its power and achievement.

MENDOZA WINE REGION

- Star of the wine producing region of Argentina, Mendoza offers an incredible diversity of its production. Wines range between world-famous, award-winning malbecs, and simple vino patero. Enjoy visits to districts located in the foothills of the Andes mountains between 2,800 and 5,000 feet (850 and 1,520 m) elevation.

THE CHILEAN FJORDS

- Strewn along the coast of Chile, these beautiful fjords are world-renowned for being one of the most awe-inspiring places on earth. Snow-capped volcanoes nestle alongside rolling valleys of ice and frosty glaciers. Rugged, breathtaking scenery and profuse wildlife abounds — watch whales from the deck, Magellan penguins and perhaps even spot the rare Andean condor.
